

K-Love serves me as a resident of the Oklahoma City metro. If K-Love were to be displaced by an LPFM broadcaster, I would be limited to 1 choice of contemporary christian music and that would be until 5:00 PM. Then that station plays mostly rap and heavy metal christian music. K-Love is encouraging, provides a positive christian message, is family oriented and plays only contemporary christian music. There are few radio stations in this day and age that can meet the first 3 points.

Please do not allow the LPFM stations to take priority over current FM translator service.
